### Additional Info –

- Please LABEL all your costumes (including shoes, tights and accessories) BEFORE the comp. If you are missing anything, please do not wait – let your teacher know TODAY! Set everything out now, to avoid a 4:00am Wal-Mart run by Christy ☺
- **BE ON TIME!** It's no fun to start out the competition stressed out about being late or missing your warm-up/prep time.
- Once the awards after the dancer's last dance is over, they are free to leave.
- DANCE HARD, have fun and be supportive of your Company!
